

Service Advisor Onboarding

A comprehensive training program for all Service Advisors and Express Service Advisors.

PRESENTED BY THE [REDACTED] TRAINING TEAM

Primary Responsibilities

- 01 Initial Greeting
- 02 Confirm Key Information
- 03 Conduct a walkaround
- 04 Review the Inspection
- 05 Document and Confirm.

Initial Greeting

- 01 Approach the customer promptly with a welcoming smile.
- 02 Introduce yourself and confirm their appointment or reason for visit.
Greet the customer by name, if possible.
- 03 Briefly explain that you will conduct a walkaround to document the vehicle's condition and identify any needs.

Confirm Key Information

- 01 **Verify Accuracy:** Confirm the customer's name, home address, contact info, and email.
- 02 **Vehicle Check:** Validate all specific vehicle details.
- 03 **Service Review:** Confirm the services requested or specific concerns noted during the appointment booking.

Accurate information prevents friction in the service journey.

Inspection Points

Lights & Lenses

- 01 Verify the operation of headlights, taillights, and turn signals.
- 02 Inspect all exterior lenses for cracks or moisture fogging.
- 03 Ensure all safety reflectors are intact.

Windshield & Wipers

- 01 Look for small cracks or chips in the windshield that could spread.
- 02 Test the wiper blade condition for streaks or tearing.
- 03 Verify washer fluid levels and sprayer functionality.

Interior Inspection

- 01 Start the vehicle to check for dashboard warning lights.
- 02 Monitor for Tire Pressure, Check Engine, or Brake system alerts.
- 03 Note any interior condition concerns to ensure a top-rated experience.

A dashboard check provides an immediate health report of the vehicle.
