*Introducing the

Service Pricing Guide

A comprehensive training program for new Service
Advisors

PRESENTED BY THE

TRAINING TEAM

Training Roadmap

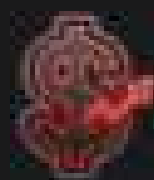

4 steps to mastering the Service Pricing Guide

01 | **Access:** Log in to the Ignite SPG interface.

02 | **Quote:** Use keywords and VIN data for 100% accuracy.

03 | **Inventory:** Real-time part checks to protect our guests' time.

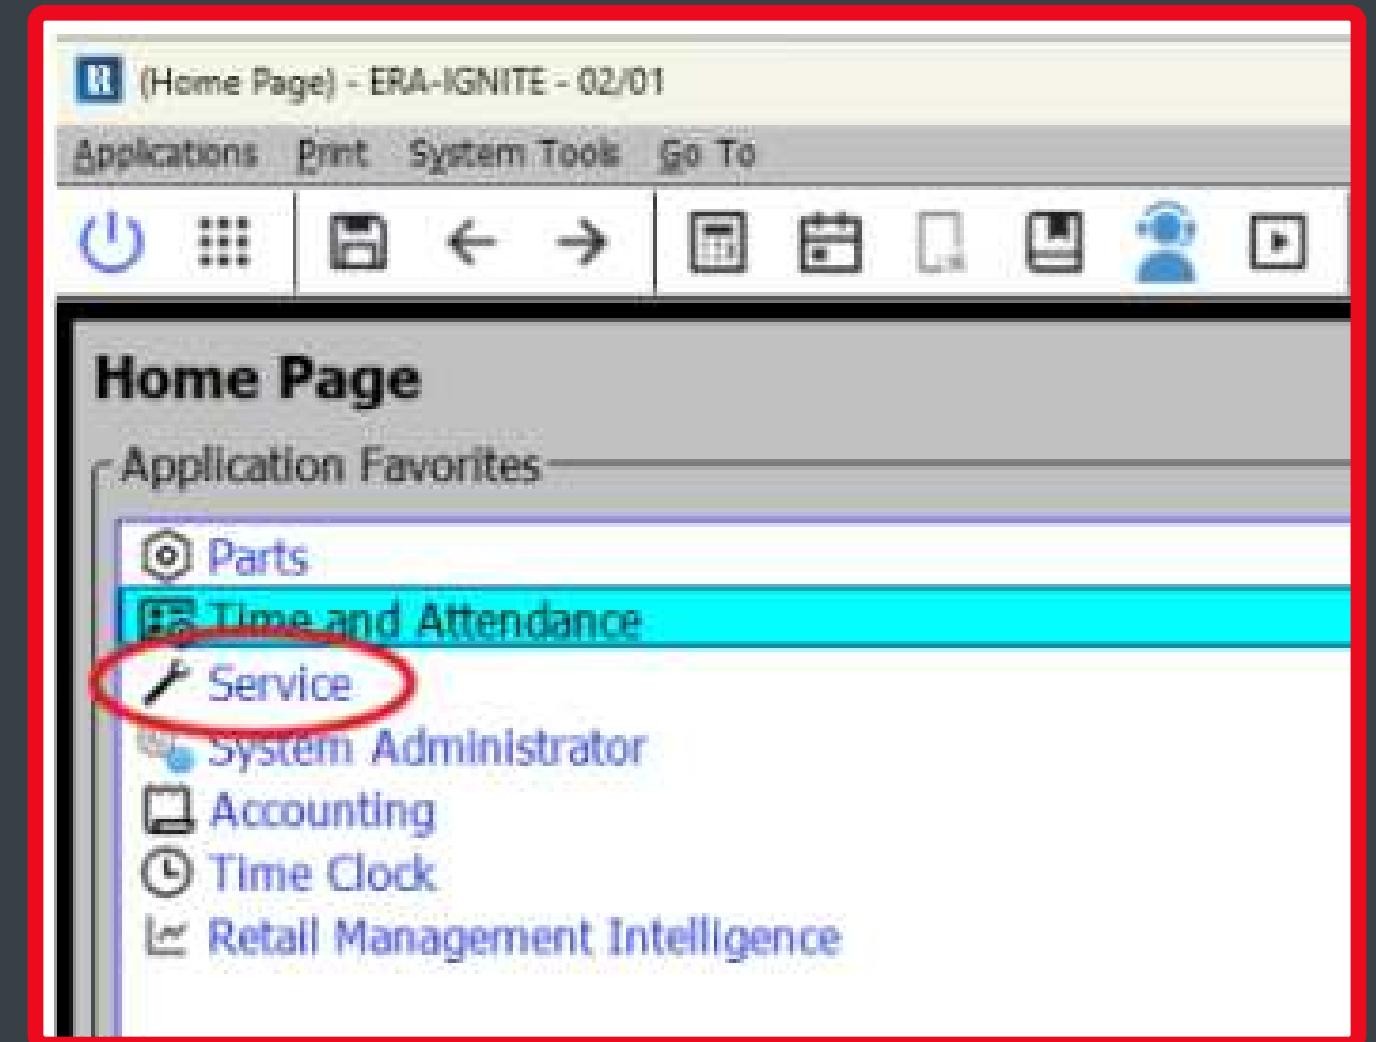

04 | **Success:** Finalize the Estimate and update the Repair Order.

Log In

Access Ignite: Log in to Reynolds and Reynolds Ignite.

From the Home Page, select **Service**.

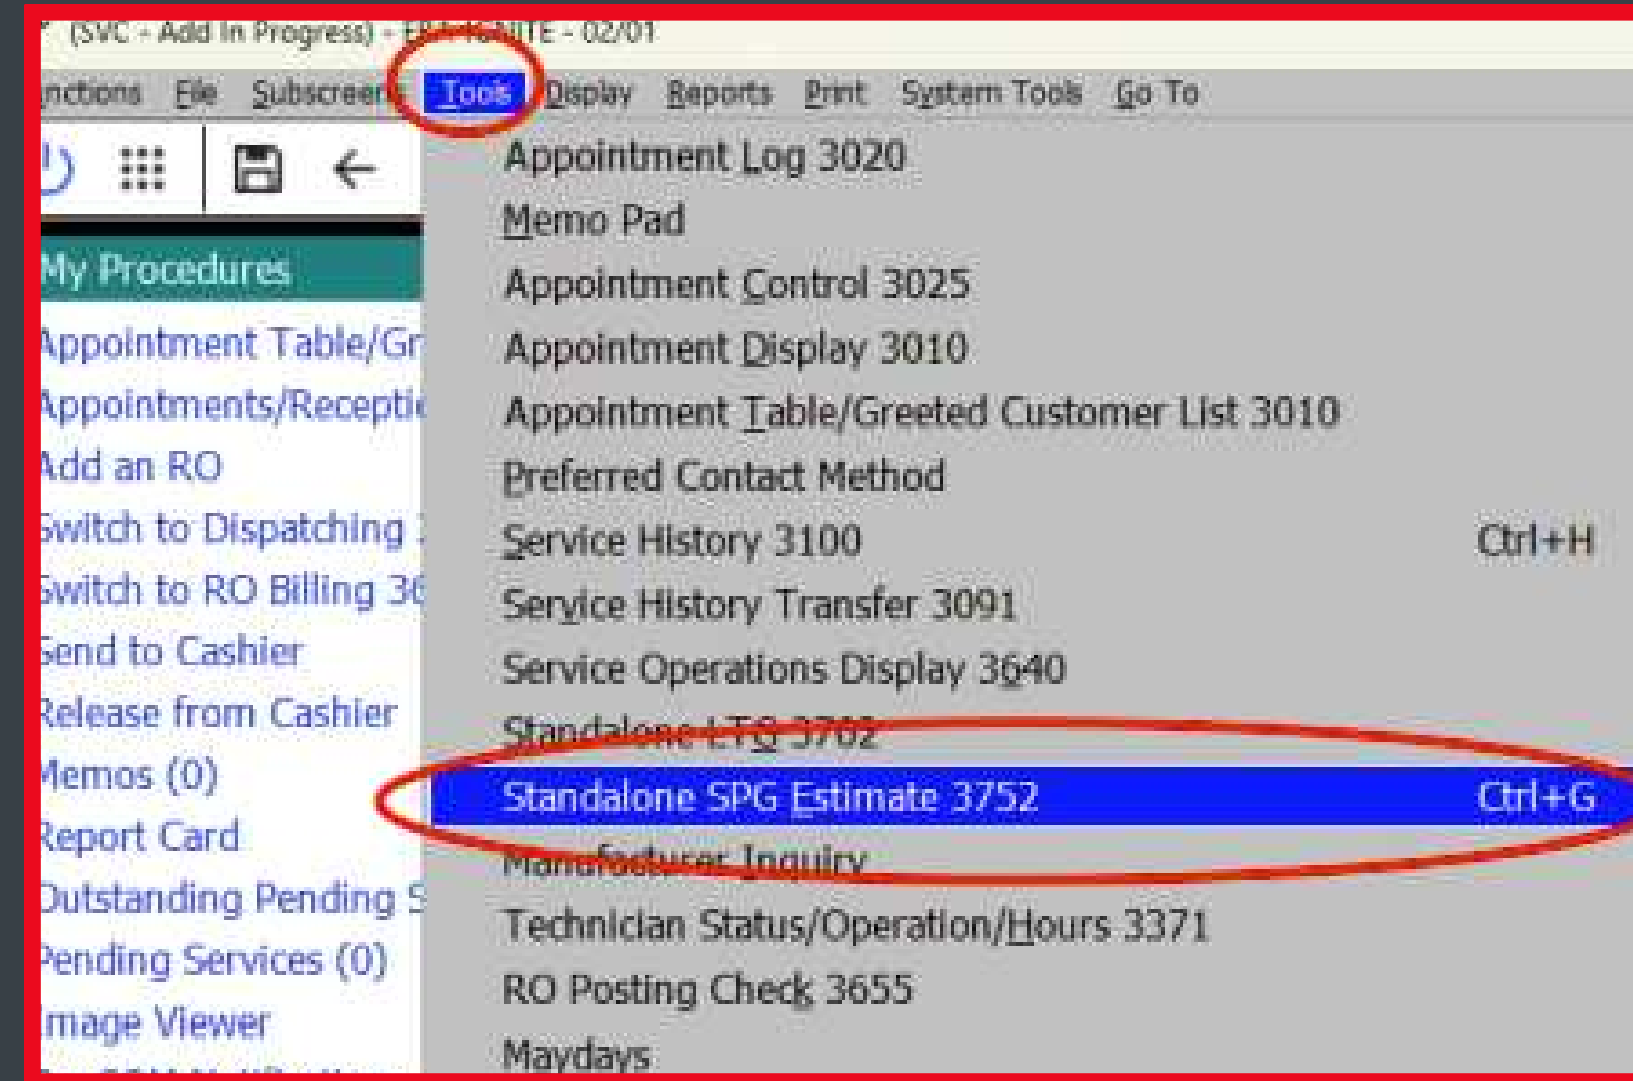

Open the SPG

You can use the SPG in two ways:

- Standalone SPG Estimate.
- SPG for Estimates Sent to the Advisor.

From the **Tools** menu, click **Standalone SPG Estimate 3752**.

Success Criteria Overview

Key benchmarks for success

1. Achieve customer satisfaction.
2. Streamline service processes.
3. Ensure timely updates.
4. Maintain accurate records.

We don't guess on prices; we provide certainty for our guests.

Thank You!
